

# Abhilasha A. Kumar

a.kumar@bowdoin.edu

## Academic Appointments

---

Assistant Professor, Psychology Bowdoin College, ME	2022 - present
Visiting Research Associate Indiana University, Bloomington, IN	2021 - 2022

## Education

---

Ph.D. in Psychological & Brain Sciences Washington University in St. Louis, MO	2016 - 2021
M.A. in Psychological & Brain Sciences Washington University in St. Louis, MO	2016 - 2018
M.A. in Liberal Arts (Computer Science and Psychology) Ashoka University, India	2014 - 2016
Integrated M. Tech in Mathematics & Computing IIT Delhi, India	2009 - 2014

## Fellowships and Awards

---

2021 Graduate Student Conference Award 62 <sup>nd</sup> Annual Meeting of the Psychonomic Society	2021
Diverse Intelligences Summer Fellowship, UCLA Templeton World Charity Foundation	2020
Outstanding Assistant to the Instructor Award Washington University in St. Louis, MO	2019
Graduate Certificate in Quantitative Data Analysis Washington University in St. Louis, MO	2019
Three Minute Thesis Winner and Finalist Washington University in St. Louis, MO McDonnell International Symposium, Beijing, China	2018, 2019

## Peer-Reviewed Publications

---

 shared authorship, 
  theoretical review, 
  undergraduate author, 
  conference paper

15.  **Kumar, A.A.**, Lundin, N. B., Jones, M.N. (2022). Mouse-mole-vole: The inconspicuous benefits of phonology during retrieval from semantic memory. In *Proceedings of the 44<sup>th</sup> Annual Meeting of the Cognitive Science Society*.
14.  Apsel, M., **Kumar, A.A.**, Jones, M.N. (2022). Finding the right words: A computational model of cued lexical retrieval. In *Proceedings of the 44<sup>th</sup> Annual Meeting of the Cognitive Science Society*.

## Teaching and Mentoring Experience

---

### Course Instructor, Bowdoin College

Laboratory in Cognitive Science, Fall 2022  
Intelligent Minds and Machines, Fall 2022

### Guest Lecturer, Washington University in St. Louis

Generalized Hierarchical Linear Models, *Hierarchical Linear Models*, April 2019  
Three-level Hierarchical Linear Models, *Hierarchical Linear Models*, March 2019  
Introduction to Data Visualization in R, *Methods in Linguistics Research*, October 2018  
Regression and Statistical Methods in Computational Linguistics, *Introduction to Computational Linguistics*, April 2018  
Confidence Intervals and t-tests, *Introduction to Psychological Statistics*, March 2018  
Memory Distortions and Failures, *Introduction to Psychology*, September 2017

### Assistant to the Instructor, Washington University in St. Louis

Psychology of Language (undergraduate-level class), 2020

- Supervised 20+ student projects on language acquisition, semantic models, and speech

Hierarchical Linear Models (graduate-level class), 2019

- Created R modules on advanced plotting and constructing complex contrast matrices

Methods in Linguistics Research (undergraduate-level class), 2018

- Lectured class of 20+ students on plotting in R; advised students on analysis and research

Introduction to Psychological Statistics (undergraduate-level class), 2018

- Advised class of 100+ students on coding-based/statistical projects and assignments

Introduction to Psychology (undergraduate-level class), 2017

- Lectured class of 100+ students on false memory and eyewitness testimony

### Research Mentoring, Washington University in St. Louis

Students and Teachers as Research Scientists (STARS program, high-school students), 2017

- Mentored 2 high-school students in conducting independent research projects

Cognitive Psychology Lab: 15+ undergraduates (research mentoring), 2016-present

- Developed manuals on introductory statistics, experimental software, & analysis protocols
- Trained students to recruit participants, analyze experimental data, and present papers

### Teaching Assistant, Ashoka University, India

Probability, Statistics & Data Science (undergraduate-level class), 2016  
Human-Computer Interaction (undergraduate-level class), 2015  
Mathematical Thinking (undergraduate-level class), 2014

### Tutoring

Knowledge is Power Program (KIPP) Victory Academy, St. Louis, Jan-Mar 2020  
Learning Lodge Program, Washington University in St. Louis, May 2020  
National Service Scheme, IIT Delhi, 2009-2016

### Professional Development in Teaching Program, 2016-2020

Completed a formalized training program in pedagogy involving 3 mentored experiences  
Attended advanced workshops on effective evidence-based teaching practices:

- Philosophy and Implementation of Collaborative Learning, January 2020
- Applying Cognitive Science to Improve Teaching, April 2019
- Providing Verbal Feedback to Students, February 2019
- Who's in Charge Here? Strategies for Managing a Classroom, August 2017

## Presentations

---

### Invited talks

- “Careers in cognitive science”, *Ashoka University CogSci Alumni Session*, June 2022, Virtual.
- “Fostering International Student Participation in Cognitive Science”, *International Cognitive Science Affinity Group, 43<sup>rd</sup> Annual Meeting of the Cognitive Science Society*, July 2021, Virtual.
- “Computational Models of Semantic Memory Representation, Search, and Retrieval”. *Indiana University*, April 2021, Virtual.
- “Semantic Memory: Representation, Search, and Retrieval”. *Bowdoin College*, November 2020, Virtual.
- “Computational Models of Semantic Memory”. The Stanford Language and Cognition Lab, *Stanford University*, September 2020, Virtual.
- “Combining Structure and Process Models of Semantic Memory”. Computational Behavioral Science Lab. University of Pennsylvania, October 2020, Virtual.

### Research talks

- “Mouse-mole-vole: The inconspicuous benefits of phonology during retrieval from semantic memory”, *44<sup>th</sup> Annual Meeting of the Cognitive Science Society*, July 2022, Toronto.
- “Language Games: A Window into Complex Cognition”. *Games for Intelligence Workshop, 43<sup>rd</sup> Annual Meeting of the Cognitive Science Society*, July 2021, Virtual.
- “Understanding Human Language using Games and Machines”. *Skype a Scientist Program*, September 2021, Virtual.
- “Priming for Distant Concepts: Insights from Semantic Networks”. Behavior, Brain, and Cognition Brownbag, *Washington University in St. Louis*, October 2019, St. Louis, MO.
- “What’s in an Abstract?”. Institute for Public Health Summer Research Program, *Washington University in St. Louis*. June 2019, St. Louis, MO.
- “Distant Connectivity in three 5000-word Semantic Networks in English”. *Midwestern Psychological Association*, April 2019, Chicago, IL.
- “Lexical Retrieval Inhibition from Semantically Related Retrieval Primes”, Aging and Development Brownbag, *Washington University in St. Louis*, December 2018, St. Louis, MO.
- “That Word at the Tip of Your Tongue”. Public Health and Aging Session, *McDonnell Academy 7<sup>th</sup> International Symposium*, October 2018, Beijing, China.
- “Network Path Length as a Measure of Semantic Distance in a 5000-word English Lexicon”, Data Blitz, *Show Me State Conference on Cognition*, May 2018, St. Louis, MO.
- “Remembering Names from Emails: Cognitive Experiments with Life-Logs (CELL): A Novel Approach to Study Name Retrieval”, *Personal Digital Archiving Conference*, March 2017, Stanford University, Palo Alto, CA
- “Cognitive Experiments on Life-Logs (CELL): A New Approach to Study Recall of Personally Familiar Proper-Names using Emails”, *International Conference on Memory*, July 2016, Budapest, Hungary.

### Posters

- Apfel, M., Kumar, A.A., Jones, M.N. (July 2022). Finding the right words: A computational model of cued lexical retrieval. *44<sup>th</sup> Annual Meeting of the Cognitive Science Society*, July 2022, Toronto.
- Kumar, A.A. (November 2021). Probing Memory Representations through an Interactive Language Game, *Trends in Psychology Summit 2021*, Virtual.
- Kumar, A.A., Balota, D.A., (November 2021). Modeling Distributional Structure and Spreading Activation in Retrieval Tasks, *Psychonomic Society 62nd Annual Meeting*, *Psychonomic Society*, Virtual.
- Kumar, A.A., Balota, D.A., (November 2020). Searching Semantic Memory for Conceptual Associates, *Psychonomic Society 61st Annual Meeting*, *Psychonomic Society*, Virtual.

Kumar, A.A., Balota, D.A., Steyvers, M. (November 2019). Evaluating Association Networks and Distributional Semantic Models in a Cooperative Word Game, *Psychonomic Society 60th Annual Meeting, Psychonomic Society*, Montreal, Canada.

Albertina, E., Kumar, A.A., Balota, D.A. (April 2019). Comparing Semantic Models using a Cooperative Word Game. *Undergraduate Research Symposium, Washington University in St. Louis*, MO.

Mutchler, Z., Kumar, A.A., Balota, D.A. (April 2019). The Benefits and Costs of Repeated Retrieval from Semantic Memory. *Undergraduate Research Symposium, Washington University in St. Louis*, MO.

Kumar, A.A., Balota, D.A., Steyvers, M. (November 2018). Distant Semantic Network Connectivity and Semantic Priming: Evidence from a 5000-word Semantic Network, *Psychonomic Society 59th Annual Meeting, Psychonomic Society*, New Orleans, LA.

Albertina, E., Kumar, A.A., Balota, D.A. (October 2018). Investigating Network Connectivity for Distant Concepts using a 5000-word Semantic Network in English. *Undergraduate Research Symposium, Washington University in St. Louis*, MO.

Steiner, R., Kumar, A.A., Balota, D.A. (May 2018). Effects of Priming on Immediate and Delayed Episodic Memory Retrieval. *Mind, Brain, and Behavior Symposium, Washington University in St. Louis*, MO.

Kumar, A.A., Balota, D.A. (May 2018). Prime Retrieval Failure Disrupts Lexical Retrieval to Definitions in Younger and Older Adults, *2018 Cognitive Aging Conference*, Atlanta, GA.

Kumar, A.A., Balota, D.A., Habbert, J., Scaltritti, M., Maddox, G.B. (November 2017). Priming Lexical Retrieval to Definitions in Younger and Older Adults, *Psychonomic Society 58th Annual Meeting, Psychonomic Society*, Vancouver, British Columbia, Canada.

Kumar, A.A., Hangal, S., Piratla, V., Rosen, A.C. (July 2017). Whom Did I Send This Message To: An Automatic Analytic Approach to 59000 Email Communications, *2017 Leading Edge Workshop: Beyond the Lab: Using Big Data to Discover Principles of Cognition, Psychonomic Society*, Madison, WI.

## Technical Experience

---

**NLP Research Scientist Intern**, Capacity, St. Louis, Oct.-Dec. 2019

- Finetuned language model on customer queries to improve question-answering system
- Identified semantic features in queries that optimally represent conversation gist

## Relevant Courses

- Natural Language Processing (NLP) Specialization, deeplearning.ai
  - o Developed NLP-based autocorrect, autocomplete, and part-of-speech tagging algorithms
- Deep Learning Specialization, deeplearning.ai
  - o Built shallow and deep neural networks for computer vision applications
- Machine Learning, Washington University in St. Louis
  - o Implemented decision trees, random forests, & boosting algorithms for classification problems
- Multivariate Analysis; Hierarchical Linear Models, Washington University in St. Louis
  - o Applied linear mixed effects models, clustering, and factor analysis to psychological data

## Analytical and Technical Skills

---

**Programming Experience:** R, Python, MATLAB, HTML/CSS, JavaScript

**Experimental Platforms:** Psychopy, JSPsych, nodeGame, Qualtrics, E-Prime, Collector

**Qualitative Research Methods:** Individual/group interviews, observation, think-aloud protocols

**Quantitative Research Methods:** Survey design/sampling, hypothesis testing, online experiments (RTs),

game-based designs

**Modeling Experience:** Word embedding algorithms, sentiment analysis, foraging/random walk models, network analysis, machine learning

## Professional Service and Affiliations

---

**Committees:** International Committee (Cognitive Science Society), Conference Committee (Cognitive Science Society); International Affinity Group Committee (Cognitive Science Society)

**Ad hoc Reviewer:** Cognitive Science; Journal of Experimental Psychology: General; Psychological Science; Journal of Experimental Psychology: Learning, Memory, and Cognition; Topics in Cognitive Science; Psychological Review; Journal of Memory and Language; Behavior Research Methods; Frontiers in Artificial Intelligence; Psychological Research; Acta Psychologica

**Member:** Cognitive Science Society (CSS); Psychonomic Society; Women in Cognitive Science (WiCS); Women in Network Science (WiNS); Graduate Women in Science
